MAKING MOBILITY AFFORDABLE

An American Icon for Over 30 Years

The Dodge Caravan has been the best selling passenger van in the world since 1984. It has become such an American icon there is one on display in the Smithsonian. In the hands of the master conversion specialists at FR Conversions, it becomes an even more special vehicle for those with special needs.

FR Conversions Van Exclusives

- **INDUSTRY EXCLUSIVE:** Vehicle reinforcement with welded steel cap bumpers
- Proprietary hydrophobic super-viscous undercoating
- 58" height (exceeding 56" ADA requirement)
- Supersized inside tub measures 102" long x 34" wide; the widest available space on a Dodge Caravan. (Most conversions only offer a 32" wide tub.)
- Custom aftermarket Transfer Flow fuel system with 3-year/60,000 mile warranty
- Custom undercarriage reinforcement system and reinforced rear bumper assembly
- The widest and most accommodating ramps in the industry
- Triple seam design welding for maximum strength and support

More FR Conversions Standard Features

- Accommodates up to 7 passengers
- 3-year/36,000 mile conversion warranty
- All vehicles include seat belts and tie downs
- Unique ramp securement system for a quiet, comfortable ride
- Q'straint retractable tie downs included
- Commercial grade flooring and ramp for ease of entry and traction
- All parts powdered coated for superior corrosion protection

More FR Conversions Standard Features

- New firewall and quiet exhaust system
- Lightweight aluminum ramp with cut outs for mud and snow
- Can accommodate 2 wheelchairs
- Includes middle row passenger seating, straps, and tie downs
- Optional second row seats include a choice of OEM remounts or Freedman aftermarket high-back seats. The aftermarket seats allow for a standard wheelchair placed in the forward position.

Chrysler's Leading Provider Of Mobility Conversions

No other van conversion manufacturer in America has as much experience serving the needs of those with special needs.
